Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On June 28, 2019, Endo International plc (the Company), through its subsidiary Endo Luxembourg Finance Company I S.à r.l., borrowed \$300.0 million under its previously disclosed \$1,000.0 million existing revolving credit facility (the Revolving Credit Facility), which bears interest at a rate equal to LIBOR plus 2.50% at the time of the borrowing. After giving effect to this transaction and the previously issued and outstanding \$3.2 million of letters of credit, approximately \$696.8 million remain available under the Revolving Credit Facility. However, the Company's debt agreements, including the Credit Agreement, dated as of April 27, 2017 (the Credit Agreement), as amended by the First Amendment to the Credit Agreement dated as of March 28, 2019 (the First Amendment), contain certain conditions that limit the Company's ability to incur additional secured indebtedness, including borrowings under the Revolving Credit Facility, which significantly restrict the Company's access to this remaining available credit. The Company expects to use the proceeds from the borrowing under the Revolving Credit Facility for purposes consistent with the Company's previously stated capital allocation priorities, including for general corporate purposes.

The Credit Agreement was described in the Company's Current Report on Form 8-K filed on April 28, 2017, and was filed as Exhibit 10.1 thereto, and the First Amendment was described in the Company's Current Report on Form 8-K filed on March 28, 2019, and was filed as Exhibit 10.1 thereto. Such descriptions are incorporated by reference herein.
