

Endo Begins Shipment of Generic Kuvan® Tablets and Powder for Oral Solution (sapropterin dihydrochloride)

October 1, 2020

DUBLIN, Oct. 1, 2020 /CNW/ -- Endo International plc (NASDAQ: ENDP) today announced that its subsidiary, Par Pharmaceutical, Inc. (Par), has begun shipping sapropterin dihydrochloride tablets, 100 mg, and powder for oral solution, 100 mg and 500 mg, following final approval from the U.S. Food and Drug Administration for its Abbreviated New Drug Application. Par's sapropterin dihydrochloride tablets and powder for oral solution are the generic version of Kuvan® tablets and powder for oral solution and are the first, and currently the only, generic versions available.

"We are excited to launch sapropterin tablets and powder for oral solution, expanding our product portfolio into the cofactor therapeutic class. This new product offering will allow patients a more cost effective alternative than what is currently available in the market," said Domenic Ciarico, Executive Vice President & Chief Commercial Officer Sterile and Generics at Endo.

According to BioMarin, Kuvan® tablet and powder for oral solution sales were approximately \$489 million for the 12 months ended June 30, 2020.

Kuvan® is a registered trademark of BioMarin Pharmaceutical Inc.
