Item 8.01. Other Events.

Endo International plc (the “Company”) has elected not to make an interest payment of approximately \$38 million (the “Interest Payment”) due on June 30, 2022 with respect to the Company’s outstanding 6.00% Senior Notes due 2028 (the “Senior Notes”). Under the indenture governing the Senior Notes, the Company has a 30-day grace period to make the Interest Payment before such non-payment constitutes an “event of default” with respect to the Senior Notes. The Company chose to enter the grace period as it continues discussions with certain creditors in connection with the Company’s evaluation of strategic alternatives. The Company’s decision to enter the grace period was not driven by liquidity constraints, as it had approximately \$1.4 billion in cash as of March 31, 2022. Accordingly, the Company’s day-to-day operations will not be impacted by the decision.

Forward-Looking Statements

Certain information in this Current Report on Form 8-K may be considered “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995 and any applicable Canadian securities legislation, including with respect to the Interest Payment and the Company’s ongoing evaluation of strategic alternatives described herein. Statements including words or phrases such as “believe,” “expect,” “anticipate,” “intend,” “estimate,” “plan,” “will,” “may,” “look forward,” “intend,” “guidance,” “future,” “potential” or similar expressions are forward-looking statements. Because forecasts are inherently estimates that cannot be made with precision, Endo’s performance at times differs materially from its estimates and targets, and Endo often does not know what the actual results will be until after the end of the applicable reporting period. Therefore, Endo will not report or comment on its progress during a current quarter except through public announcement. Any statement made by others with respect to progress during a current quarter cannot be attributed to Endo. All forward-looking statements in this Current Report on Form 8-K reflect Endo’s current analysis of existing trends and information and represent Endo’s judgment only as of the date of this Current Report on Form 8-K. Actual results may differ materially and adversely from current expectations based on a number of factors affecting Endo’s businesses. Therefore, the reader is cautioned not to rely on these forward-looking statements. Endo expressly disclaims any intent or obligation to update these forward-looking statements, except as required to do so by law.
